## School Overview

Established in 1915, Jarvisfield State School is a small rural one-teacher school in the Townsville District, North Queensland. It is approximately 9km (5 minutes) east of the township of Ayr, 15km (10 minutes) northeast of the township of Home Hill and 98km south of Townsville.

Our school is proud to provide students with an education in a caring and supportive environment. We cater for students from Prep to Year six. As a small school, we deliver our curriculum through a multi-level class, with a variety of small and individual learning groups.

We are committed to providing learning programs that cater for the diversity of students in our community. Our efforts to achieve this are supported by an exceptionally experienced and dedicated team of staff members who interact closely with the students and their families.

Our academic program is complemented and supported by a range of sporting, recreational and cultural activities. We continue to implement the Australian Curriculum school program and endeavour to make learning exciting and engaging for all of our students.

At Jarvisfield State School, education involves the school community working in partnership to develop the full potential of each child in a warm, caring and personal environment. I extend a warm welcome to you and invite you to contact us with any enquiries you may have.

## Curriculum Delivery

### Our Approach to Curriculum Delivery

As a small school we deliver our curriculum in a multiple aged classroom. Students are engaged in multileveled units designed to cater for learning at each child's year level. This approach allows students that require extra learning opportunities to grasp content through further consolidation time and those who are ready to be extended, the opportunity to move on with their thinking. Student learning at Jarvisfield State School is highly individualized.

We offer all key learning areas to students. In addition we offer

- LOTE Japanese for Years 5-6 conducted online from Charters Towers Distance of Education.
- Phonemic Awareness Programme

### Co-curricular Activities

Burdekin Festival of Arts which involves the whole school to perform in choir and choral speaking divisions

- School excursions related to units of work covered in class
- School Camps for Years 5/6
- Grip Leadership Conference and Leadership skills development
- Student council
- Small Schools' cluster Days with curriculum focus

## How Information and Communication Technologies are used to Assist Learning

Jarvisfield State School has a 1:2 laptop computer to student ratio for use within learning activities. All classrooms have either an interactive whiteboard, data projector or touchscreen television. The school currently has 3 iPads that are used daily in learning rotations. The school subscribes to Reading Eggs, Mathletics and Typing Tournament as part of the literacy and maths program. Students access the Learning Place to engage in learning objects, online resources and web conferencing.

## Social Climate

### Overview

Jarvisfield State School has commenced implementing Positive Behavioural Learning. We are committed to providing a positive school environment, where all students are included and feel safe and supported improves student learning outcomes. Every member of the school community (school staff, parents and students) play a role in creating a safe, supportive and disciplined school environment, where students can learn and achieve. Our students identify with the Super J's core school values of safety, respect and responsibility and the school's behaviour matrix as outlined in the Responsible Behaviour Plan for Students.

### Parent and community engagement

Jarvisfield State School encourages parents to maintain a strong working relationship with their child's teacher and all school personnel. The school involves parents in their child's education by providing oral reporting twice a year or at any time a parent wishes to talk about their child's education. Parents of students requiring additional school support are encouraged to actively consult with teaching staff and support staff to develop individualised curriculum plans, personalised learning plans and/or case management. We appreciate our parents and carers supporting regular student attendance and items set for homework.

Parents, staff and students support school events such as the Fancy Dress Ball by providing food and volunteering their time to help organise the event. They also support their children in performances, displays and ceremonies.

School newsletters are sent home and placed on the school website and noticeboard in the office to keep parents informed about school activities and events. Students who receive awards or achievements receive special mention in the newsletter. Where possible we try to have information about our school placed in the local papers to showcase our students' successes

### Respectful relationships programs

Jarvisfield State School is committed to providing a safe, respectful, responsible and disciplined learning environment for students and staff. Students have opportunities to engage in quality learning experiences and acquire values supportive of their lifelong wellbeing. Jarvisfield State School has begun implementing Positive Behaviour Learning (PBL) within the Responsible Behaviour Plan for Students and the school community.

Students participated in the Day for Daniel and the Braveheart's programs. The Daniel Morcombe Foundation's key role in the community is the education of all children about their personal safety. The foundation assists educators and parents through the funding and development of child safety educational resources as well as assisting young victims of crime. The Braveheart's mission and vision is to prevent sexual assault in our society and to make Australia the safest place in the world to raise a child. Jarvisfield State School implement programs that focus on appropriate, respectful and healthy relationships.

### School Disciplinary Absences

The following table shows the count of incidents for students recommended for each type of school disciplinary absence reported at the school.

SCHOOL DISCIPLINARY ABSENCES			
Type	2015	2016	2017
Short Suspensions – 1 to 10 days	6	7	0
Long Suspensions – 11 to 20 days	0	0	0
Exclusions	0	0	0
Cancellations of Enrolment	0	0	0

## Environmental Footprint

### Reducing the school's environmental footprint

The use of natural breeze rather than air conditioner use has decreased the electricity usage. Water usage is dependent on seasonal responses to water need. Staff use relevant curriculum opportunities to educate students about energy.

ENVIRONMENTAL FOOTPRINT INDICATORS		
Years	Electricity kWh	Water kL
2014-2015	8,650	
2015-2016	10,445	
2016-2017	11,142	

The consumption data is compiled from sources including ERM, Ergon reports and utilities data entered into OneSchool by each school. The data provides an indication of the consumption trend in each of the utility categories which impact on the school's environmental footprint.
